

Aged 13-25 and want to have your say on Policing??

We are looking for members of the community who are aged between 13 - 25 who want to have their say on Policing.

A survey has been developed by members of the Independent Office for Police Conduct (IOPC) Youth Panel to gain opinions from members of the Community who fall within that particular age bracket.

The survey aims to:

- Understand young people's lived experiences of policing
- Examine trust in policing and police complaints
- Look into local differences across England and Wales
- Involve young people in developing future solutions

The survey is open to young people aged 13-25 years across England and Wales. Young people can take the survey here:

<https://www.surveymonkey.co.uk/r/2CRQKK5> (or via the QR code)

The survey deadline is 17 June 2022. The survey's results will then be published later this year.
